Further to the December 19 personal interview with Examiner Flynn and Examiner Fordé, please amend the above-identified application as follows:

IN THE CLAIMS:

Please replace claims 1-25 as follows:

1. (Three Times Amended) A method of forming a three-dimensional device having a plurality of thin film device layers deposited in a thickness direction, and a first substrate, each thin film device layer being disposed in a predetermined region in a planar direction, comprising:

depositing at least one of the thin film device layers by a separation in a separable layer on which the at least one thin film device layer is formed.

2. (Three Times Amended) The method of forming a three-dimensional device having a plurality of thin film device layers deposited on a base in a thickness direction for constituting a three-dimensional circuit, each thin film device layer constituting a circuit disposed in a predetermined region extending in a planar direction, comprising:
